Help shape the Hepp offer – a professional development opportunity

At Hepp we continuously reflect on our delivery - analysing student and staff feedback in order to ensure that young people receive appropriate and accurate information.

We are in the process of reviewing our workshop presentations and online resources, and – being aware of the outstanding teaching and learning expertise within our school communities - are keen to hear from anyone who would be interested in working collaboratively with us and our university partners as part of our new Activity Development group.

This is a great opportunity to ensure that Hepp’s resources are truly fit for purpose, as well as gaining personal experience of collaborative working and helping to shape a regional project. To get involved, or for more information, please contact Alex Bairstow, Hepp Operations Manager, at a.bairstow@shu.ac.uk or 0114 225 2786.

HeppHUB Launched!

We celebrated the official launch of HeppHUB on Tuesday 10th March, where it was good to see familiar faces as well as meet so many new contacts. The evening was a wonderful opportunity to facilitate regional conversation and ensure a joined-up approach, so that everyone in the Sheffield City Region has a single point of contact for support and signposting on the subject of higher education.

Please help us to make a difference by actively promoting HeppHUB in your wider school community to ensure all stakeholders are fully aware of the support on offer. That includes:

- **resources** to use with students in form time or lessons
- the **Hepp Connects page**
  - signposting to higher education related outreach, community events, conferences and workshops
- **CPD presentations/resources**
- dedicated areas for vulnerable groups – **learners with disabilities** and **mature students**, with looked-after children and young carers coming soon

Check it all out at [www.hepp.ac.uk](http://www.hepp.ac.uk)
“Helping SENDCOs to support Disabled Learners into Higher Education” conference

Hepp are running a CPD event for SENDCOs looking at:
- the support offered for disabled learners at local higher education institutions
- experiences of disabled learners (Q&A)
- how to meet Gatsby Benchmark 3 (addressing the needs of each pupil)
- Hepp and partners’ activities, events and resources
