Introducing Jacob Flannery, our new Regional Activities Coordinator

Jacob joined our team at the end of March as the new Regional Activities Coordinator covering the Barnsley and North East Derbyshire areas.

Jacob says "I'm excited to be starting my new role within Hepp - I'm looking forward to working with schools across Barnsley and NE Derbyshire to help deliver activity to those learners who need it the most"

Summer stakeholder meetings

We know that a lot of schools are already planning for the next academic year, so now would be a great time to arrange a meeting with your Regional Activities Coordinator to plan and book in your Hepp activity for 22/23. We are happy to meet you on campus, at your school or virtually.
